NEPAL

INTRODUCTION

SOME AFTER EFFECTS OF THE EARTHQUAKE

- Over **3 million people** are estimated to be in need of food assistance. Of them, an estimated 1.4 million most affected people have been prioritized for immediate food assistance.
- About **1,383 schools** have been damaged by the earthquake, according to Government data from 26 districts.
- Over **3.58 billion worth of crops and livestock** have been destroyed.
- The World Food Programme's preliminary assessment estimates that **50% of 91 already assessed markets** are functional or showing signs of recovery. Another 50% of shops have been damaged or destroyed.

PRIORITY DISTRICTS AND SECTORS

The Nepal Jesuits have already initiated a rapid assessment of about 25 villages in **9 priority districts**: Dhading, Kavre, Nuwakot, Sindhupal Chowk, Gorkha, Lalitpur, Okhaldhunga, Dolkha and Khatmandu.

The Nepal Jesuits have envisaged to respond in the following priority sectors:

1. Food Kits
2. Non-Food Kits
3. Livelihood Options
4. Temporary and Permanent Shelter
5. Educational Interventions
