

COVID-19

Global Appeal

As we cautiously emerge from lockdown in Ireland, we hope that the worst of Covid-19 is behind us. **Outside of Europe, infection rates are still rising and poor communities are still bearing the brunt of lockdown restrictions.**

For refugees and people who have been left with no income, your support is invaluable.

PLEASE DONATE to help provide them with food and essentials as well as sanitation provisions to protect against the effects of this pandemic.

Donate to provide essential care to communities in need during the Covid-19 pandemic
